Offer available to new residential video customers of Comcast, located in Comcast Cable serviceable areas only (and is not available to current or former Comcast customers with unpaid balances). Certain services are available separately or as a part of other levels of service. Basic Service subscription is required to receive other levels of service. A converter, remote control and other equipment is required to receive certain services. Installation and equipment charges are additional. Prices shown do not include applicable taxes, franchise fees and FCC fees. Cable Guard is a service protection program covering diagnosis of video/audio service problems (related to customer owned equipment) and repair (not replacement) of customer premise wiring. After promotional period, Comcast's regular service and equipment charges apply unless service is cancelled. HD programming is limited, channels may vary and provide a mix of HD and non-HD programming. Call your local Comcast Cable office for restrictions and complete details about services, prices and conditions of service. Comcast High-Speed Internet speed comparisons for downloads only and compare Comcast download speed of 6.0Mbps (maximum upload speed of 384Kbps) to 3.0Mbps DSL, 1.5Mbps DSL and 56K dial-up. Many factors affect speeds. Constant connection is not a claim of reliability, this refers to the persistent internet connection provided by the service. Actual speeds may vary and are not guaranteed. CHSI price without video cable services may vary. Self-install Kit requires customer installation and is not available in all service areas. \$3.95 shipping and handling charge applies if Self-install Kit is shipped. Not all applications and features are compatible with Macintosh systems. Satellite Customer Offer: \$25.00 off any Digital Package for 16 months limited to new Comcast video customers located in serviceable and wired areas. Offer limited to current satellite customers and you must honor existing contract obligations. Comcast will remove the satellite receivers, and may or may not collect the dish. Offer expires 5/26/2006. ©2006 Comcast. All rights reserved. All other trademarks are the property of their respective owners.

Unreliable

With Comcast Digital Cable, you have NO hideous equipment mounted to anyone's home, plus reliable service even in bad weather.

Unlike Satellite systems, Comcast Digital Cable is not interrupted in bad weather. If something goes wrong with your satellite equipment, you have to pay for the repairs and any costly upgrades. With Comcast, you get dependable service, on screen program guide, access to hundreds of movies and local customer support 24/7 and much more!

Satellite offers LESS of what you want:

- ON DEMAND is not available from satellite companies.
- Satellite companies do not carry PBS, PAX, Kansas City Metro Sports, Educational Access or Local Government. With Comcast, you get them ALL!
- Rates for local channels are \$5.00 per month with a satellite provider.
- Local channels are FREE with Comcast Digital Cable.
