**COMCAST PRODUCTS AVAILABLE AT THESE RETAIL PARTNERS.**

Offer only available in participating Comcast systems (and may not be transferred) and is limited to new residential customers, who have not subscribed to any of the three promotional services for the past 90 days located in Comcast Cable wired and serviceable areas. Offer not available to customers with unpaid Comcast account balances. Offer limited to 6.0Mbps High-Speed Internet Access and Comcast Digital Voice™ service. Advertised prices only available with subscription to both services. If any service is cancelled during the promotional period, Comcast's regular charges apply for any remaining services. AFTER THE PROMOTIONAL PERIOD, COMCAST'S REGULAR SERVICE AND EQUIPMENT CHARGES APPLY UNLESS SERVICE IS CANCELLED BY CALLING 1-800-COMCAST. Comcast's current monthly service charge for both services ranges from \$82.90 to \$102.90 depending on area and multiple service subscription. Savings based on the difference between promotional price and Comcast's regular charges. Service is subject to Comcast standard terms and conditions of service. Offer ends 6/30/07. Equipment, including a cable modem (for High-Speed service) and EMTA (for telephone service and which may also be used for High-Speed service) required. Unless specifically included in offer, equipment fees are additional. Installation charges apply and are additional. Prices shown do not include taxes and franchise fees. 30 day money back guarantee limited to 1 month recurring service fee actually paid when service is cancelled during the first 30 days. Not all programming and services available in all areas. May not be combined with other offers. Please call your local Comcast office for restrictions and complete details about service, prices and equipment. Comcast ©2007. All rights reserved. All other trademarks are the property of their respective owners. High-Speed Service: Speeds stated and comparisons for downloads only and compare Comcast 6.0Mbps to 1.5Mbps DSL. PowerBoost™ only available with Comcast's 6.0/8.0Mbps speed plans. PowerBoost™ provides a brief burst of download and upload speed above the customer's provisioned download speed for the first 10MB of a file when downloading and 5MB of a file when uploading large files. It then reverts to the provisioned speed for the remainder of the download. Many factors affect speed. Actual speeds vary and are not guaranteed. Web cam required (not included) to create video mail. Not all features, including McAfee, are compatible with Macintosh systems. Comcast Home Networking is only available to Comcast High-Speed customers and requires additional equipment and installation charges. Comcast Digital Voice™: Unlimited package pricing applies to all direct-dialed calls to locations in the U.S., from home. No separate long distance carrier connections available. Plan does not include international calls. Comcast Digital Voice™ service (including 911/emergency services) may not function after an extended power outage. Certain customer premises equipment may not be compatible with Comcast Digital Voice Service. Pricing shown does not include the Regulatory Recovery Fee, which is not a tax or government required or other applicable charges (e.g., per-call charges). Caller ID equipment is required. EMTA from Comcast required (current monthly charge of \$3.00, or \$5.00 for Home Networking).
