Comcast Digital Cable Is The Head Of The Class!

Your kids will love to learn with great programming to enhance, teach and entertain! You'll love it because it fits right into your budget.

Here's Your Extra Credit From Comcast Digital Cable:

- A HUGE Video ON DEMAND Library.
- Most ON DEMAND movies are FREE!
- Local Channels at no extra charge.
- Commercial-free music channels.
- Advanced parental controls – lock channels, ratings and times of the day with a few simple clicks of the remote.
- Local customer service 24/7.

Ask about HD equipment and DVR service!

TV on YOUR Schedule!

The ON DEMAND library is filled with thousands of movies, sports, music videos, kids programming, even educational classes, many of them for FREE.

Research Any Topic in a Split-Second with Comcast High-Speed Internet with PowerBoost™

Comcast High-Speed Internet with *PowerBoost™* provides you with a burst of speed when you upload and download large files such as photos, research papers, presentations and music in a fraction of the time it would take 1.5Mbps DSL.

Comcast High-Speed Internet 6Mbps with *PowerBoost™*

Upload Speeds =	Bursts up to 1Mbps
Download Speeds =	Bursts up to 12Mbps
Parental Controls =	Monitor Internet activity
Play Games =	Lots of FREE web games
Photo Sharing =	FREE online photo sharing
Video Mail =	Send videos for FREE
Webmail =	7 e-mail accounts included
McAfee Suite =	Suite of online protection
Comcast Rhapsody Radio PLUS =	Listen to over 100 stations for FREE

With Comcast High-Speed Internet, you're giving your child an advantage over other students. Plus, you can monitor where and when they have been surfing with Parental Controls.

And now with *PowerBoost™* your fast connection gets even faster with bursts of speeds up to 12Mbps when downloading large files. Also works with your upload activities such as uploading photos to your favorite photo-sharing site, with speeds up to 5 times faster than before!

Offer only available in participating Comcast systems (and may not be transferred) and is limited to new residential customers, who have not subscribed to any of the three promotional services for the past 90 days located in Comcast Cable wired and serviceable areas. Offer not available to customers with unpaid Comcast account balances. Offer limited to Comcast Digital Starter, 6.0 Mbps High-Speed Internet Access and Comcast Digital Voice® service. If any service is cancelled or downgraded during the promotional period, Comcast's regular charges apply for any remaining services. AFTER THE PROMOTIONAL PERIOD, COMCAST'S REGULAR SERVICE AND EQUIPMENT CHARGES APPLY UNLESS SERVICE IS CANCELLED BY CALLING 1-800-COMCAST. Comcast's current monthly service charge for all three services ranges from \$137.38 to \$167.38 depending on area. Service is subject to Comcast standard terms and conditions of service. Offer ends 8/24/07. Equipment, including a converter and remote control (for certain cable services, use of one converter included), a cable modem (for High-Speed service) and EMTA (for telephone service and which may also be used for High-Speed service) required. Unless specifically included in offer, equipment fees are additional. Installation charges apply and are additional. Prices shown do not include taxes and franchise fees. Not all programming and services available in all areas. May not be combined with other offers. CDV 30 day money-back guarantee limited to 1 month recurring service charge (per call fees excluded). Please call your local Comcast office for restrictions and complete details about service, prices and equipment. Comcast ©2007. All rights reserved. All other trademarks are the property of their respective owners. **Cable Service:** Certain services are available separately or as a part of other levels of service. Basic service subscription is required to receive other levels of service. **ON DEMAND** selections subject to charge indicated at the time of purchase. Additional features and services may be purchased at regular service rates. **High-Speed Service:** Speeds stated and comparisons for downloads only and compare Comcast 6.0 Mbps to 1.5 Mbps DSL. *PowerBoost™* only available with Comcast's 6.0/8.0 Mbps speed plans. *PowerBoost™* provides a brief burst of download and upload speed above the customer's provisioned download speed for the first 10 MB of a file when downloading and 5 MB of a file when uploading large files. It then reverts to the provisioned speed for the remainder of the download. Many factors affect speed. Actual speeds vary and are not guaranteed. Web cam required (not included) to create video mail. Not all features, including McAfee, are compatible with Macintosh systems. Comcast Home Networking is only available to Comcast High-Speed customers and requires additional equipment and installation charges. **Comcast Digital Voice®:** Unlimited package pricing applies to all direct-dialed calls to locations in the U.S., from home. No separate long distance carrier connections available. Plan does not include international calls. Comcast Digital Voice® service (including 911/emergency services) may not function after an extended power outage. Certain customer premises equipment may not be compatible with Comcast Digital Voice® service. Pricing shown does not include the Regulatory Recovery Fee, which is not a tax or government required or other applicable charges (e.g., per-call charges). Caller ID equipment is required. EMTA from Comcast required (current monthly charge of \$3.00, or \$5.00 for Home Networking).
