Comcast products available at these retail partners.

Offer only available in participating Comcast systems (and may not be transferred) and is limited to current residential video cable customers, who have not subscribed to any of the three promotional services for the past 90 days located in Comcast Cable wired and serviceable areas. Offer not available to customers with outstanding or overdue Comcast account balances. Offer limited to 6.0 Mbps High-Speed Internet Access. If video cable service is cancelled or downgraded during the promotional period, Comcast's regular charges apply for any remaining services. AFTER THE PROMOTIONAL PERIOD, COMCAST'S REGULAR SERVICE AND EQUIPMENT CHARGES APPLY UNLESS SERVICE IS CANCELLED BY CALLING 1-800-COMCAST. Comcast's current monthly service charge for High-Speed Internet Access ranges from \$42.95 to 52.95 depending on area. Service is subject to Comcast standard terms and conditions of service. Offer ends 10/31/07. A cable modem (for High-Speed service) required. Unless specifically included in offer, equipment fees are additional. Installation charges apply and are additional. Prices shown do not include taxes and franchise fees. Not all programming and services available in all areas. May not be combined with other offers. Please call your local Comcast office for restrictions and complete details about service, prices and equipment. Comcast ©2007. All rights reserved. All other trademarks are the property of their respective owners. High-Speed Service: Speeds stated and comparisons for downloads only and compare Comcast 6.0 Mbps to 1.5 Mbps DSL. PowerBoost™ only available with Comcast's 6.0/8.0 Mbps speed plans. PowerBoost™ provides a brief burst of download and upload speed above the customer's provisioned download speed for the first 10 MB of a file when downloading and 5 MB of a file when uploading large files. It then reverts to the provisioned speed for the remainder of the download. Many factors affect speed. Actual speeds vary and are not guaranteed. Web cam required (not included) to create video mail. Not all features, including McAfee, are compatible with Macintosh systems. Comcast Home Networking is only available to Comcast High-Speed customers and requires additional equipment and installation charges.
