## Some Blackjack Tips To Get You Started:

- Never split your 10's.
- Split your Aces and 8's, regardless of what card the dealer is showing.
- Stand on a hard 13 through 16, but only if the card the dealer is showing is a 6 or lower. If the dealer's showing card is a 7 through an Ace, hit.
- If the dealer is showing a 4, 5 or 6 stand on a hard 12.
- If the dealer's showing card is a 2, 3 or 7 and higher, hit a hard 12.
- Continue to hit until you have at least 17 if the dealer's up card is a 10.
- Hit a soft 17 if the dealer's up card is a 10.
